ASCS Today

By Tom Conrad

Flue-Cured Tobacco Warehouse Designation - On Monday, March 6, the initial warehouse designation period for the Flue-Cured Tobacco producers began. The designation period for the Flue-Cured Tobacco producers began. The designation period will run until April 7. As in prior years, the designation must be within a 100 mile radius of the county seat, and up to 110 percent of the farm effective quota can be designated. Tobacco leasing should be completed, if possible, before you designate.

Fire and Sun Cured Tobacco Allotment Notices - Most of the 1978 allotment notices have been mailed to Fire and Sun-Cured Tobacco producers. If you have not received your notice it is because we have not received your 1977 tobacco marketing card. If you haven't turned in your marketing card yet, please do so just as soon as possible so that we can reconcile your 1977 marketings and mail you your 1978 allotment notice. The leasing period is not in effect for Fire and Sun-Cured Tobacco and will run until June 1st of this year.

National Flood Insurance - I would like to call to your attention the fact that you may now be eligible to purchase flood insurance coverage on your home and farm buildings and their contents. Certain other public and privately owned buildings are also eligible. This flood insurance is available through an emergency program of the Federal Insurance Administration in the U.S. Department of Housing and Urban Development. It is available at federally subsidized rates.

The agency of the State Government which serves as coordination between your community and the Federal Government on food insurance is:

Bureau of Water Control Management
State Water Control Board,
Post Office Box 11143
Richmond, Va. 23219

The Serving Company in this state is:
Insurance Co. of North America
5225 Wisconsin Ave., N.W.
Washington, D.C. 20015
Phone: (202) 244-2000

Additional information including rates is available from the latter of these two offices. The insurance may be purchased from any property and casualty insurance agent or broker licensed to do business within the state.

NCA - Normal Crop Acreage - Farmers in the county should be receiving a notice of their NCA very soon. As I have mentioned before this notice will contain not only the NCA based on 1977 plantings, but it will also contain yields for farmers with 1977 plantings of wheat, barley, grain sorghum, and corn.

As of this time, many farmers have been asking: "If I plant only 50 percent of my land in 1978, how will that effect the Normal Crop Acreage for my farm?" The answer to that questions is, a 50 percent reduction in planting or some reduction over the federally established percentage, will not jeopardize a farmer's Normal Crop Acreage, nor will it reduce his or her potential program benefits. A farm's NCA will remain in effect for four years.

The Set-Aside Program calls for removing from production at least two acres for every 10 the farmer plants to wheat and one acre for every 10 the farmer plants to corn, barley or grain sorghum. The Set-Aside Program is March 1 through May 1, 1978. This program is voluntary with no paymments made for set-aside acreage: However, producers participating will be eligible for commodity loans, deficiency payments, and disaster payments.

SHS students from Appomattox County High School participated in the State Special Olympics basketball meet held March 4th. Pictured, left to right, are Lawrence Lewis, Deborah Dixon, Tommy Ford, Carolyn Fleshman, Alvin Walker, Ivan Abbitt and Gail Ragland. Chaperones for the trip were Tommy and Evelyn Ford.

ACHS STUDENTS PARTICIPATE IN SPECIAL OLYMPICS

The State Special Olympics Basketball Meet was held March 4th at Fort Belvoir in Alexandria. Despite the snow, six students from Appomattox County High School competed in the meet. Appomattox can be very proud of these students as they all returned with medals!!

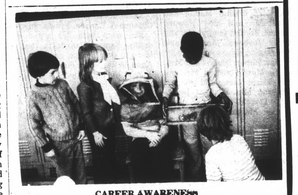
In the 18-19 age group, Lawrence Lewis won the gold medal and Ivan Abbitt won the bronze medal. In the 16-17 age group Alvin Walker won the bronze medal and in the 18-19 age group Deborah Dixon won the gold medal. In the 16-17 age group Carolyn Fleshman won the gold medal and Gail Ragland won a bronze medal.

The next Special Olympics event will be the local Track and Field meet at Lynchburg College on April 29th which will be followed by the State meet at VPI & SU in Blacksburg on June 17.

According to Mrs. Evelyn Heising Ford, Special Education teacher at ACHS, they are in the process of selling Wisconsin Cheddar cheese and pure beef summer sausage in order to help pay the registration fees for the thiry eligible students. Members of civic organizations, church groups, students at ACHS and interested citizens are assisting in the sale. Please support the Special Olympics.

NINTH GRADE FFA TEAM PLACES FIRST

The ninth-grade team from Appomattox County High School FFA Chapter won first place in their division of the Hub Federation Ag. Mechanics Contest held at ACHS recently. The members of the winning team are (L-R) Roger Walton, Ralph Totty and Randy Franklin.



CAREER AWARENESS

First grade students in Miss Butler's class are learning about bees, beehives, and beekeeping. This has been corelated with studies of workers in the United States. Equipment shown in picture was spotted in Mrs. Garrison's (an aide) truck.

Students' own views about this include:
"Honey is good." (Sheri Williams)
"Bees make honey." (Kevin Hansen)
"About how people in our nation make it gooder." (Daniel Slagle).
"Queen bees stay in the hive." (Susan Linkous)
"Bears eat honey." (Lisa Woodall)
"People eat honey, too." (Cheryl Ann Franklin)
"Some bees are poisonous." (Keith Garrett)
"Queen bee stings hurt worser than the others." (Bob Stratton)

Pictured, left to right, are William McGrath, Susan Linkous, Randall Ferguson, Gary Booker, and Dana Campbell.

SENIOR FFA TEAM PLACES FIRST IN CONTEST

The senior level team from ACHS FFA Chapter placed first in the Hub Federation Agricultural Mechanics Contest held recently at Appomattox County High School. Students from area schools competed in shop skills and general mechanics knowledge tests. Shown above are the winning team members (L-R) Dale Garrett, Paul Krajewski and Robert Harding.

out through the lungs or kidneys. It takes the liver of the average male from five to six hours to fully break down the alcohol is four ounces of whiskey or two-and-a-half pints of beer. The liver will break down or metabolize alcohol before it will the food that is consumed. In this way most of the nutrients found in foods are excreted by the body before they can be broken and absorbed.

At present it is estimated that nine million Americans use alcohol to the point where it has a significant effect on their health, jobs or families. These are the alcoholics.

Marie Fraley

Named To All District Second Team

Marie Fraley, daughter of Mr. and Mrs. Charles Fraley was named to the second team Seminole District - All District girls basketball team for 1977-78. Marie is a senior at ACHS and has received honors for outstanding play in volleyball, track and basketball for the Raiderettes.

Connie Murray

Received District Honorable Mention

Connie Murray, daughter of Mr. and Mrs. James Murray of Pamplin, received Honorable Mention in voting for the Seminole District - All District girls basketball team 1977-78. Connie is a senior at A.C.H.S. and has been honored for outstanding play in volleyball, softball and basketball for the Raiderettes.

LITTLE LEAGUE TEAMS PLAYED IN BENEFIT GAMES

Saturday, March 4, was a big night for the Little League Basketball program in Appomattox. Six teams participated in benefit games sponsored by the Appomattox Junior Woman's Club in the ACHS gym.

Proceeds from the games will be used to send an Appomattox County youth to Camp Easter Seal this summer. Due to the support of the public, through door receipts and concession sales, $262 was raised. This amount will cover the $250.00 campership and provide canteen money for the child.

In the 8-9 year old game, the winning team was the "Blazers", coached by David Almond. The 10-11 year old "Nuggets" won their game under the coaching of Buck Tillery and Steve Cobb. The 12-13 year old team, the "Trailblazers" remained undefeated throughout the season, and Saturday night was no exception. Their coach was Lee Edwards.

The Junior Woman's Club wishes to thank all those individuals and businesses who contributed to the success of the games. (see letter to the editor on page 2).

Shown in above photo are the "Trailblazers" - winning team in 12-13 year old game with their certificates. Pictures of other teams will be published at a later date.

Canaan Baptist

Business Church Meeting - Saturday, March 11 - 7:30 p.m.

Regular preaching service - Sunday, March 12 - 11:30 a.m. Rev. L. L. Elliott, pastor in charge. The Canaan Echoes will render the music. Communion will be served.

The Canaan Echoes will sponsor a program Sunday, March 12 - 7 p.m. Miss Virginia McCoy was in charge.

Pre-Easter Service on Friday, March 24 - 7:30 p.m.

The Junior Choirs Anniversary - March 26 - 3 p.m. We invite our friends and co-workers to come and worship with us in these services.

OAKVILLE

Kathy Marshall is home from Madison University on spring vacation.

Doug Marshall is spending this week in South Carolina, playing golf in the tournament from Lynchburg.

Mr. and Mrs. W. Clark Moore visited her and Mrs. Roland Smith Sunday p.m.

Bruce Moore is in the hospital.

We extend our deepest sympathy to our beloved pastor, Rev. Becker, who has recently lost his mother, Mrs. Fred Becker.

Mr. and Mrs. G. R. Slade, Suzanne and two friends visited Mr. and Mrs. Wayne Irby Saturday night. They were also Sunday guests of Mrs. M. W. Drinkard.

A great performer:
New 19" DIAGONAL RCA XL-100 Color TV

ONLY $379.00

Model FB443

With RCA's new XtendedLife chassis—designed to perform better, last longer than any previous 19" diagonal XL-100 chassis.

Lower Power Consumption
This means lower stress on chassis components than in prior XL-100 chassis. Actually uses less energy on average than a 100-watt bulb!

Cooler Operation
The cooler the chassis, the greater its inherent reliability. And the XtendedLife chassis runs significantly cooler than the chassis it replaces.

Automatic Color Control and Fleshtone Correction System
Works to keep colors consistent from program to program, channel to channel. Also gives you natural fleshtones and natural background colors side by side.

See the new RCA XL-100 now!
